Education

Vellore Institute of Technology

September 2022 - June 2026

Bachelor of Technology in Electronics and Communication Engineering

Chennai, Tamil Nadu

Professional Experience

College Dream

May 2025 - July 2025

Full Stack Development Intern

Remote

- Developed comprehensive event management portal serving **2000+** students with minimalist UI and optimized scrolling performance
- Built administrative dashboard for streamlined operations, improving workflow efficiency by **55%** through intuitive routing and data visualization

HackClub VIT Chennai

April 2024 - April 2025

Vice President & Board Member

Leadership Role

- Led strategic planning and execution of **15+** technical events and **5** major hackathons, driving community engagement initiatives
- Mentored diverse community of **1000+** participants across programming disciplines, enhancing peer learning by **75%**

Projects

Zuma AI | *Next.js, Tailwind CSS, TypeScript*

2025

- Engineered markdown-based PDF summarization application with Clerk authentication, Stripe payment integration, and real-time updates; decreased manual processing time by **60%** and deployed on custom domain

Avolink | *Next.js, TypeScript, Tailwind CSS, Avalanche, Supabase, Ethers.js*

2025

- Architected Web3-powered event platform featuring NFT-based ticketing, instant payouts, and blockchain proof of attendance; eliminated ticket fraud risk by **100%**, accelerated transaction settlement by **95%**, and enhanced verification accuracy by **40%**; recognized among **Top 15 teams** in competitive hackathon

Ascendancy | *React, Node.js, MongoDB*

2024

- Launched full-stack esports tournament platform with comprehensive authentication, tournament administration, and secure Stripe payments. Maintained **100+** concurrent users with **99%** uptime across live event coordination

WriteCare | *Python, Jupyter Notebook, Tesseract OCR, Matplotlib*

2024

- Constructed dyslexia detection system utilizing OCR and computer vision analysis, attaining **87%** accuracy on handwriting samples and decreasing manual diagnostic effort by **40%**

Certifications

MERN Full Stack Certification - Ethnus Python for Data Science UI/UX Design with Figma

Extracurricular

Volunteer Leadership

2023 - 2025

- Coordinated **5** major hackathons including HackNight'25, ILH24, Devshouse'24, CyberX, GDSC WOW, orchestrating seamless event logistics for **400+** participants
- Directed photography operations for VIT Chennai's premier technical fest, supervising **50+** member team and ensuring comprehensive visual documentation

Technical Speaking

2023 - 2025

- Presented **5** technical workshops covering frontend technologies, UI design, video editing and GitHub contributions, providing guidance to **100+** aspiring developers
